INCLUDES 07/18/2013 CONTINUING EDUCATION COURSE APPROVALS

BOARD APPROVED CONTINUING EDUCATION COURSES - Listed below are courses approved by the Tennessee Alarm Systems Contractors Board for CONTINUING EDUCATION in the Fire Installation, Burglar Installation, CCTV Installation, and Monitoring Alarm Systems Classifications for QUALIFYING AGENTS.

RULE 0090-3-.03 REPEATED COURSES   Repeated courses will not be given credit for educational qualification unless a period of two (2) years has passed between those courses.

RULE 0090-05-.01(1) As a prerequisite for renewal of a license, a qualifying agent shall obtain sixteen (16) hours of Board-approved instruction in the alarm industry during the two (2) year period prior to the expiration of such license. With renewal applications, Qualifying Agents must provide photocopies of certificates of completion for approved continuing education course(s) providing a minimum of <u>sixteen (16) hours</u> of continuing education credits.
RULE 0090-05-.01(4) For fire alarm licensure, the qualifying agent must complete a course in fire alarm installation and monitoring prior to the first renewal of such license unless this certification was presented for approval of initial licensing. For purposes of meeting this requirement, the individual must obtain certification by a national training program approved by the Board for qualifying education in the fire alarm classification.

These are the courses currently approved for continuing education by the Tennessee Alarm Systems Contractors Board. As other courses are approved they will be added to this list and can be forwarded upon request. *NTS* approved courses are also acceptable *if the certificate of completion contains a verifiable course number and the number of credit hours, the certificate has the attendee's name and date of completion printed on the certificate, and the certificate is signed by the course instructor.*
